GARY ALSOBROOK  
Howard Watts  
Clyde Arden

JOSEPH WHITLEY  
TREASURER

Well Mustangers it seems as though Winter is upon us and activities will be slowing down for a couple of months. We've had a great year and the future promises bigger and better things.

Even though the weather has turned cool that didn't stop us from getting a last couple of activities in. Our October 25th picnic was quite a success even though the day was overcast and had a slight drizzle of rain from time to time. We had 10 Mustangs and over 35 Mustangers leave our meeting place on Murfreesboro Road. Joe and Phylis Whitley led our convey with their restored 1969 Mach I. Even on this overcast day our convoy received quite a bit of attention. Joe took the convoy through the scenic route in the park and we ended at a covered lodge in a beautiful wooded area. Someone brought a football to pass around and some jogged through the park. In the lodge we built a fire in the fireplace before everyone came in to spread out all the food they had brought. We had quite a feast and a lot of fun. Next year we'll have a couple of picnics planned in our activities schedule.

Our October 30th Halloween Party was something to see. Some of our members wore fantastic costumes and that made it very difficult to judge for best costume. The three best costumes were worn by Kay Shields, Dale Collier and Joe Whitley. The winner was selected by drawing straws and Dale Collier won. We played Musical Chairs and had an Apple Dunking contest with Jeffery Watts winning a nice Mustang model car. The party room was beautifully decorated with streamers, spooks and jack-o-lanterns. The meat and cheese trays, the chips and dip and punch were all great. Thanks to all who participated and a big thanks to Patsy Whitley for all the hard work she did in decorating and purchasing materials and food for the occasion.

We have 35 Members who have signed up for the Christmas Banquet so far. This promises to be a good time for all who attend. I hope everyone will try and participate. We have several nice door prizes to be given away as well. If you haven't sent in your reservations yet and you would like to attend please call Banquet Committee Chairperson Wanda Bridges immediately (865-6412) to make reservations. Banquet date is Saturday Dec. 12th, 7 P.M.

I was recently contacted by Wanda Bridges and she informed me that she and Gary were putting their '69 Mach I 428 Cobra Jet in the upcoming Hunter's Automotive Show to be held at the fairgrounds. She wanted to know if I thought the Club might want to have a display of cars there. Mike Daniels checked with the show people and said they had space for 5 of our cars. Since we were in between Club meets I called several members and arranged a meeting with those who could make the 3 day show. We also discussed what kind of display we wanted. We decided on a Western format with a wooden and rope fence with bales of hay and wood chips for the floor. Through the efforts of Wanda and Gary Bridges, Mike Daniels, and those participating we were well represented at this show.

Those participating were: Gary and Wanda Bridges ('69 Mach I cj); Connie and Hilda Gately ('67 Shelby); Paul Ingram ('73 Mach I) and Fred Gately ('70 California Special). Congratulations to Connie Gately who took 1st place and to Gred Gately who took 3rd place trophies (a Plymouth Superbird took 2nd place). Thanks again to Wanda Bridges for all the hard work she did on this event.

Congratulations to Peggy Overby for submitting the winning Club Patch design. Out of 6 entries, her design of a guitar with Mustang horse received the most votes at our November meet. Now that we have our design we can start checking prices on making them for our Club. Thanks again to Peggy and to all who took the time and effort to make designs for our Club patch.

Election results are in and the following Members were elected to serve in the coming year: President-Mike Whitley; Vice President-Howard Watts; Secretary- Becky Brumfield; Treasurer- Joe Whitley; Board of Directors- Mike Daniels, Gary Alsobrooks, Gene Shields, Gary Bridges and Connie Gately.

With our Club getting bigger each month we need the help of everyone to participate in Club functions and activities. I look forward to working with the newly elected Officers and Board Members and with each and every one of the Membership. Thanks to Susan Johnson and Donna Watts for serving as election officers.

I am happy to announce that Bob Overby has once again agreed to be our Club Chairman for shows. Bob did a fantastic job at our 1st Annual Crown Ford Show and with him heading up the 1982 season shows we should have some really great shows. We expect that the Mustang Clubs in surrounding cities and states as well as Mustangers here in Nashville will participate and make our shows the ones to attend. Bob will have a lot of work in planning and working with these shows but with him we have our best foot forward.

Also we are pleased to have Connie Gately head up our Activities Committee once again. Connie planned several trips and outings this year and all were a success. He already has some ideas for next year and we are surely to have some great times.

Our December meeting will be on Thursday Dec. 17th, 7 P.M. at Crown Ford as usual. This will be an informal meet and everyone is urged to come on out and get acquainted with other Members. Bring some car magazines to trade so we'll have something to read this Winter if you have any.

I'd like to take this opportunity to wish everyone a Joyous Holiday Season. Take care and drive safely.

Mike Whitley, President

FREE ADS TO MEMBERS- Send on Post Card to: Music City Mustang Club,  
P.O. Box 100084 Nashville, Tn. 37210 or turn in Ad at monthly meet.
