1983 FALL FORD SHOW

Well the rain stayed away and what a great weekend it was! If you didn't get out to Crown Ford to see the gathering of the Fords of the past and present, They ranged from a '23 T to a '83 GT.

Saturday the Crown Ford lot was filled by noon with a well mixed group of automobiles from the Ford family. There were over 100 cars from all over the southern states, Kentucky cyclones, Shelbyville Shelys, Chattanooga Galaxies, Alabama Mustangs, and three of the finest T-BIBDS ya ever laid eyes on.

Music City Club members Larry & Debbie Maxwell won the best of show award in thier newly restored 1970 BOSS302.

Vendors included T-Shirts from Dallas Texas, Photo keychains from Columbia, Performance by Price from Indiana, And many other vendors including Norton Restorations that had many bids on a Mustang bedspread that they had stretched on the side of thier truck.

Sunday was a little less busy with so many people from out of town that didn't return, but there were a few people that couldn't make the saturday show that came out. At noon Fred Gatley headed up the first Road rally and had eleven cars entered and you can bet that after seeing all the fun that more people wished they had entered. Overall every one had a great tineand we are waiting on next year.....
