MONTHLY NEWSLETTER OF THE MUSIC CITY MUSTANG CLUB

Just A short note this month

Don't forget the 4th Annual Mustang Round Up this weekend at Crown Ford. Friday Afternoon there will be vendors with parts for sale and will have the registration table for club members to register their cars. Saturday registration until noon, judging to start about 12:30. Sunday, club members are encouraged to come out for the visitors to see their cars. The vendors will also be present on Sunday.

As President of the club myself and all of the Board of Directors agreed that all club members should bring out their cars and enter them on Saturday. We have people bringing in cars from surrounding states and if we want to show them that we are a strong club we should have all our cars entered. With only a \$5.00 registration fee it won't break any of us. In the process we will all be helping out our club. Why should any of us belong to a mustang club when we cannot support it. This club has the possibility of hosting a National Show in the next couple of years. However, we cannot do it without everyone's help.

See ya Friday evening!
