MUSIC CITY MUSTANG CLUB NEWSLETTER
Nashville, Tennessee Volume II, No. 11 November 1992

Last Lap Around the Track

Our final regular monthly meeting for 1992 will be **Thursday, November 19th, 7:00 p.m.**, at the Sylvan Park South Restaurant, 5207 Nolensville Rd. in Nashville. It would be great to see a record turnout fill up the room.

Don't forget...very important...**ballots for the election of 1993 Board of Directors members are due by this month's meeting.** Either bring yours to the meeting or mail them to Frank this week. The ballots were printed in last month's newsletter and every member should have a say in who governs the Club next year. VOTE, VOTE, VOTE!

This will also be the last issue of the newsletter for the year. Be thinking about how you as a Club member can contribute to our publication in '93. We've printed several very good articles by members this year and we appreciate it, but next year will bring a need for a lot more...every month. #

The Trophies Keep on Rolling In

We continue to have winners everywhere old car lovers gather to show off their work. The AACA held a show in Franklin, TN October 17th. GENE SHIELDS took a 1st and FRANK DAVIS won 3rd with their Shelbys. BILLY BEASLEY took home a 1st for his '66 GT Convertible.

The next day, Wilson Bank and Trust in Lebanon, TN hosted an antique car show. Club winners were GENE SHIELDS, 1st, MILTON SCOTT, 2nd, BARRY CLEMONS, 3rd, and BILLY BEASLEY, 1st. #

Welcome to Our Ranks

New members who have joined the Club during the last month are MIKE EMISON of Springfield, DENNIS GRAU of Brentwood, and WALTER JOHANSON of Donelson. We're glad to have you with us and look forward to getting to know you better. #

What If...?

A new Board of Directors will convene in early January to elect officers and make plans for another great year of organized Mustanging in middle Tennessee. What if they had a list of suggestions taken from the members at this month's meeting during open discussion of ways to make the Club more dynamic and user-friendly in 1993?

What if...everybody wore a name sticker or introduced themselves at every meeting, every month; what if we had a program chairman (or several) to plan speakers, activities, demonstrations, video viewings and that kind of stuff for each meeting; what if we had a show, parade, or some function to benefit a charity and get some publicity next year; what if we set up a telephone chain or buddy system so that all the members got a call each month during meeting week to remind them to attend the meetings; what if we had an official Club show for Club cars only...and so on and so forth. Get the idea? Speak

up and sound off if you have similar suggestions. We shouldn't leave Club operations to just the president and a few others. It's too big of a job that way. Let's hear from YOU.#

It Pays to Trust Your Instincts

by Gene Shields

After admiring the fine machinery while attending a recent local car show, I and two Mustang friends were talking cars. During the conversation, I asked if either of them had seen a Mustang convertible for sale lately. Their reply was no they hadn't and that the convertibles were really getting scarce.

A few minutes later, one of my friends remembered that at this same show a year earlier, he had overheard a lady say she owned a '66 convertible and was interested in selling it. Personally, I don't know too many people who get all shook up over a year-old tip, but I must admit that when he went on to say that it was a GT, I experienced a small quiver. He had seen the car the previous year and knew where the lady lived. It turned out to be only a few blocks from the show site, and he volunteered to take me there if I was interested. He had no idea at all if the car had been sold or not.

Although I was sure it would be a waste of time, we had plenty of time to waste, so I said why not? He found the house with no trouble and I stayed in the truck while he knocked at the front door. A woman came to the door and they talked briefly. Then he turned and motioned for me to follow him around to the back of the house. O.K., I'm now starting to get just a little excited.

Around back, he introduced me to the lady and she raised the door to a basement garage. There it sat... a one-owner, all original '66 Mustang GT convertible, covered with five years of dust. Sauterne Gold, black power top, Pony interior, air conditioned, center console, styled steel wheels, A-code 289 4-V engine...I was stunned. She related that the Pony was purchased new in Atlanta in '66, and that after her husband died, she had left it parked there for the last five years. She named a price and I bought the car on the spot, without even starting it. I returned the next day, got it started and drove it home, vowing all the way to never doubt the possibilities of a car for sale tip, no matter how old it is. #

MUSIC CITY MUSTANG CLUB
MINUTES - NOVEMBER 1982 MEETING

The Music City Mustang Club met on November 18, 1982 at 7:00 p.m. at Crown Ford, 646 Thompson Lane, Nashville, Tennessee. The meeting was called to order by the president, Mike Whitley.

Our secretary read the minutes from the previous meeting. Our treasurer was then called upon and reported a balance of \$1,007.59 in the club's bank account.

Mike Whitley reviewed the responses received from the questionnaire, and then a film of the 1982 World Mustang Expo in Chattanooga was shown.

Our president gave the date and time for our Christmas banquet and encouraged everyone to attend. (December 11 at the Hungry Fisherman)

Ballots for 1983 Board of Directors were then tabulated by Marcie McGhee and Ken Duncan. Due to a tie three members were asked to revote, and after all were tabulated it was announced that the 1983 Board of Directors shall be: Gene Shields, Dave Norton, Bob Overbey, Fred Gately, Wanda Bridges, Connie Gately, Becky Brumfield, Mike Whitley and Gary Alsobrooks.

There being no further business, the meeting was declared adjourned.
