**MUSIC CITY MUSTANG CLUB NEWSLETTER**  
**Nashville, Tennessee** **Volume III, No. 5, MAY 1993**

**Our May Club meeting will be held Thursday the 20th, at 7:00 p.m., Sylvan Park South Restaurant, 5207 Nolensville Road, Nashville. Come earlier if you would like to eat.**

## **Mid-Summer Cookout Planned**

The Club is issuing a call for all members and Mustangs to get together for a gala picnic/cookout on SUNDAY, JULY 11th at Cedars of Lebanon State Park. We have reserved the first shelter past the entrance office, about 3/4 of a mile down the park road, for 3:00 p.m. Bring a side dish for yourself or your group...the Club will furnish hamburgers and hot dogs for grilling. For more information, contact Billy Beasley at 452-5438. There will be plenty of off-road parking for our Ponies so make plans now to join your fellow Mustangers for this fun summer gathering.

## **Show Biz**

Our May 1st Spring Show tallied a nice success at day's end, despite the showers and uncooperative weather. There were no major hitches reported and all participating had a good time. The photo plaque trophies were again a hit with the winners for a second year in a row. Thanks to Bill Davis for your hard work on these.

The non-Club cars and pony corral totalled about 46 entries and there were 14 Club cars and about 12-15 vendors. A very large thank you goes to everybody who came out and helped set up, take down, sold things, bought things, judged cars, made trophies, solicited door prizes and trophy class sponsors, brought their cars, entered their cars...and overall helped make thing successful. Our treasurer reports that after all expenses were paid, the Club made a profit on the show.

Winners in the popular voting for our Club's cars were:  
64 1/2 - 73 Street Driven Convertibles  
First Place - Billy Beasley  
Second Place - Frank Davis

64 1/2 - 73 Street Driven Coupes and Fastbacks  
First Place - Milton Scott  
Second Place - (tie) Joe Spivey, John Hoover, William Sanford, and Tom Parrish

74-93 All  
First Place - Dennis Grau  
Second Place - Bud Morton

There were no entries in the classes for Concours or Other Fords/Race Cars.  
Congratulations to all the winners and to everybody who helped with our '93 Spring Mustang Roundup.

## April Meeting Notes

Forty-one persons attended our April 15th Club meeting. A visitor from the Midnight Rodders Club started things off by inviting all MCMC members to the Rodders' first organized show. It will be Sunday, June 27th at the Sumner County Drive-In Theater. Registration is from noon to 2:00 p.m. There will be 10 car classes judged and door prizes. The \$10 entry fee includes a movie at dark.

Most of the discussion at the meeting centered around our May 1st show. National Director Joe Spivey reported that planning is still hot and heavy at MCA for next April's 30th Anniversary Mustang Convention in Charlotte, NC. It was suggested that all of our members who plan to attend might consider reserving a block of rooms and traveling as a group for an even better time.

Sanford's trivia this month was more of a challenge. Five questions were answered and five were stumpers. He's getting down to nuts and bolts now.

Projects underway among members are: Don Dunham-'68 302 Fastback; Carol Chism-'66 Convertible; and Don Roberts-'70 Sportsroof.

Lynn Cole won the 50/50 draw.

A reminder... Club identification articles are on sale at all meetings. We have front license plates, caps, two styles of shirts, and patches.

### ***A Note of Thanks from Your Editor***

After many months of careful thought, I have concluded, sadly, that this will be my final edition of your Club newsletter. Demands on my personal time have become such that I can no longer manage the project in the manner that it requires, even to the point of attending shows and functions in order to give you first hand reports on local Mustang happenings. I am very grateful for the support many of you have given me during the last 2 1/2 years, to make the newsletter a valuable tool in the function of the Club. This is a great group of people in one of the best hobbies there is, and I have enjoyed being of some small service to MCMC.

Sincerely,

GO NORTH YOUNG MAN...THE CONTINUING SAGA OF THE TRAVELING MEMBERS OF MCMC

"You've got to be kidding!" everyone said. "You are actually moving to Minnesota?" After reading my latest copy of our newsletter, it stirred me to first cry, and then to get a grip and sit down to write y'all a letter (did you pick up on that accent?) It might appear that I may be a tad bit jealous of California's climate, it may seem that I am frustrated over not being able to drive my Mustangs most of the year, or there just may be a chance that we miss all our friends back there in the Nashville area, especially when the high temp for the day today will be about -33 degrees wind chill!

Yes, we do miss all of the above a lot. Our career change brought us closer to our families and all appears to be going as good as can be expected. We have lately learned that an enclosed trailer is the only way to protect our Shelby. Mark Stacey can breathe easy now, as we resisted towing it on our open trailer to a recent large car show.

Old Mustangs aren't as plentiful or popular up here as they are down south. There are no MCA shows around at all, just local club shows. The local Mustang club is a combined all Ford club with only a few dedicated people who meet year 'round. We sincerely miss all of you. If any of you people are traveling anywhere near the Twin Cities, you had better give a call. We do have some really fun things to do up here, like snowmobileing down the lake at 100+ mph. I do have a line on a family that hordes all kinds of engine stuff, big block and HiPo. They go around and strip lots of Fords.

Miss you!
