CLUB ELECTIONS SET

By John B. Roberts, Jr.
Editor-in-Chief (Don't call me, "Chief!")

Balloting for the 1994 Music City Mustang Club Board of Directors is underway. The accounting firm of Spivey, Spivey and Spivey has mailed secret, high-tech, tamper-proof ballots which should be returned ASAP.

To ensure voting integrity, each ballot must reach accountant Joe Spivey in the official, genetic-encoded envelope provided by his firm (along with \$10 for each photocopied extra ballot with your name checked off). Ballots may be mailed to Spivey, or hand-delivered (sealed in the official envelopes) at the club meeting Thursday, 18 November.

Former President Jimmy Carter is flying in from his offices in Atlanta to oversee the election. His experience setting up free elections in emerging third-world nations should come in handy.

Rumors of ballot-tampering, called "Mustang-gate" by local paparazzi, abound as driveway racketeer and gangster political action committees (known as "drag pacs") engage in fingerpointing on issues such as, "Are Mustang IIs Pintos or Mustangs?" and "Just what is a Big Red Special, anyway?" dominate discussions. Unnamed candidates accused of paying a segment of club members not to vote responded to the allegations with, "Who, me?"

The Nashville Chapter of the League of Women Mechanics will sponsor what promises to be a spirited debate among all candidates in early December on The Nashville Network. Ralph Emery is scheduled to referee...er, host the debate.

All ballots returned by next Thursday will be kept sealed in a mayonnaise jar on Funk and Wagnall's doorstep until the Club Christmas party, December 11 (6:30 p.m. at Glenwood Baptist Church, at the corner of Murfreesboro Road and Thompson Lane). Club members attending should bring one \$5 gift each. Board candidates may bring as many gifts as they want, with no price limits having been set. (Virginia, I could use one of those baseball caps. Ed.)

CHRISTMAS PARTY AT GLENWOOD BAPTIST CHURCH

I already told you this. Re-read the last paragraph of the previous story. (Thanks to Milton and Delores Scott for making the arrangements.)

LOCAL BOY DOES GOOD

Congratulations to Steve Womack, screenwriter of the recent TNN movie, "Proud Heart", which starred Lorrie Morgan. The movie is nominated for a Cable ACE Award, the Academy Award of the cable television industry. If the movie wins the ACE, that and \$4.95 will get Steve a nice dinner at the Sylvan Park Restaurant on the third Thursday of each month...unless he's off somewhere like Murfreesboro, signing copies of his latest novel. (That's the THIRD Thursday, Steve.)

RUST REPAIR ADVICE NEEDED

Potential club member Judy Brown is the original owner of a Wimbledon White '68 Coupe with a 289, automatic transmission, and air conditioning. Purchased in August, '67, Judy's car has about 46,000 miles and a rust problem below the rear window. Judy hopes to join the MCMC and begin a mild restoration in early '94, and asks that anyone who knows how to repair the rusted panel between deck lid and window gasket call her at 883-6605. Veteran club members may remember meeting Judy and her car about ten years ago at the Donelson Sonic Drive-In. She says some of you guys actually had the nerve to try to buy her car! (Sorry, Joe, she's married to a minister.)
