

THE LEGEND

The Newsletter of the Music City Mustang Club

Volume IV, No. 2

February, 1994

1994 Officers Elected

At 1994's first meeting of the newly elected Board of Directors of the **Music City Mustang Club**, a slate of officers and committee chairpersons was chosen. Chaired by Joe Spivey, the meeting was held on Sunday, January 9, 1994 at the Sylvan Park Restaurant.

William Sanford was elected President of the Club, with Milton Scott chosen as Vice-President. Barbara Davis became the MCMC's Treasurer for 1994, and will serve as Membership Secretary as well. Joe Spivey will act as Secretary for the following year, and will also serve as Head Judge at this year's car show. Mark Craig will serve as National Director for the club.

Susan Norris has agreed to serve as Club Activities Coordinator for the next twelve months, with Billy and Kay Beasley in charge of door prizes for the show. Show Chairman will be Gene Shields, with Mike and Becky Scott handling registration for the show.

Steve Womack has agreed to take on the job of Newsletter Editor (see accompanying article).

New Newsletter Editor Yells For Help....

After many months of turning out a dynamite club newsletter, John Roberts decided that his other life was making too many demands on him. So he's gone back to the real world. He'll still be in the club, though, and we'll get to see him at the monthly meetings. We thank John for all his good work cranking out **The Legend** and we'll miss his sense of humor and style. During his time as editor, we were probably the only Mustang Club in America whose newsletter editor yelled "Don't call me Chief!"

So as you can probably tell, the look of **The Legend** has changed. We hope you like it, but if not, let us know. We're also looking for any news items you want to share with fellow club members. Anything you want to sell, swap, trade, or give away, let us

MCMC Stats-Of-The-Month

Membership:	117
New Members in 1994:	0
Beginning Cash:	\$1084
Expenses this month:	\$116
Ending Cash	\$978

know that too.

And if there's something here that you want to see and can't find, then speak up. It's your club, and your newsletter....

Please address all your questions, complaints, news items, anything that you think might be of interest to: Steve Womack, Editor, **The Legend**, 530 Brooksboro Terrace, Nashville, TN 37217.

Car Show Date Announced

Joe Spivey reports that the preliminary details for this years' car show are beginning to come together. We've got a date and a location:

September 17, 1994

**Cool Springs Galleria Mall
Sears Parking Lot**

There are a lot of other details yet to be worked out, though. Like volunteers, for instance. We need them. Lots of them. If you can help, contact Gene Shields, Show Chairman, at 746-4743.

Speaking of dates, Joe Spivey also reports there's a tentative date set for the annual club picnic--May 14th. The club officers are thinking about having at the Cedars of Lebanon state park. Any suggestions or comments, call Joe.

And we want to congratulate Joe on his success getting dates....

New Features in Newsletter

You'll be seeing a couple of new features in **The Legend** over the next couple of months. You've already seen the first item on the front page of this issue. Every month, we'll include a box on the front page that lets you know how many members are in your car club. We'll also keep a running count of new members, so everyone will know how fast we're growing. This front page box, which we're going to call **MCMC Stats-of-the-Month** (anyone coming up with a better title gets a free glass of iced tea at

the Sylvan Park Restaurant, courtesy of the newsletter editor), will also keep all members informed of how much money the club's taking in, and what's being done with that money.

Another new feature that's going to work its way onto these pages soon is something we're tentatively going to call **Ask Dr. Frank**. Every month, Frank Davis, our MCMC ex-president and all-round Mustang guru, will pick a question or two on engines, restoration, electrics, whatever, and give answers to the most common problems Mustang owners face. So get your questions ready.

And by the way, we were going to model the feature after Public Radio's "Click & Clack" and call our feature "Spit & Cuss." But we decided to keep this a family newsletter....

Club Dues Due!!

It's that time of year we all hate, folks. Just when the Christmas bills come due, the IRS wants its share of your hide, and now, the Music City Mustang Club wants you to--pardon the expression--Pony Up.

Club dues are an important part of keeping the club together. They pay for the newsletter printing and postage, help support the car shows, and keep the MCMC one of the largest and most active regional groups in the country.

Dues are still a bargain at only \$12.00 a year. We've included a handy renewal/application form on the cover of **The Legend**.

Thanks for helping make the MCMC the dynamite organization it is!

The Legend Classified Ads: Anyone wanting to sell, buy, barter, bargain or beg for anything of interest to other club members, call Steve Womack at 367-2674
