

Two Rivers Car Show Breaks Winter Blues

Music City Mustangers got a break in the long, cold winter as **Two Rivers Ford**, 2730 Lebanon Pike in Donelson, sponsored an impromptu mid-winter car show on Saturday, February 19th.

Thirteen cars from the Music City Mustang Club showed up on a day that turned out to be warm and sunny, with more than a hint of spring to remind of us the days when we can put the tops down.

Milton Scott's 1970 Mach I took top honors by popular vote and was awarded the year's first trophy. Rumor had it that Howard and Marion Bryant's beautiful '65 Coupe ran Milton a close second.

Other **MCMC** members who showed cars at the Two Rivers show included: Susan Alexander's '64^{1/2} convertible; Shelby Davis's '71 Mach 1; Al & Lynn Cole's '66 GT convertible; William Sanford's '67 fastback; Garland Hughes's '66 coupe; Bud Morton's '65 GT fastback; DeWayne Scrogg's '67 fastback; Frank Davis's '67 convertible; Todd Burton's '66 coupe; Jerry Bean's '66 convertible; and Steve Womack's '68 coupe.

Tim Witt, Field Manager of Ford Motor Company's Memphis regional sales office, attended the Two Rivers show and had some interesting observations on the new Mustangs, and especially the upcoming debut of the new Cobras. There wasn't enough room in this month's issue to include that story, but we'll get it in next month.

Mustangs Across America Comes to MC

On Wednesday, April 13th, Music City is going to be invaded by a convoy of Mustangs that may number in the hundreds. **Mustangs Across America**, which will begin its journey on Friday, April 8th in Sacramento, California, will leave Little Rock, Arkansas the morning of the 13th and arrive in Nashville late that afternoon.

The caravan of Mustang's will be enroute to the **Mustang Club of America's** 30th Mustang Anniversary Celebration at the Charlotte Motor Speedway in Charlotte, NC.

The group plans stops in Flagstaff, Arizona, Santa Rosa, New Mexico, Oklahoma City, Little Rock, and Nashville before arriving at the celebration. Event organizers report that the group will pick up new members at each stop, and that it's anybody's guess how many cars will arrive in Nashville.

Charlotte Meeting Notes....

And speaking of the **MCA's** 30th anniversary celebration in Charlotte, **MCMC** President William Sanford asks that anybody planning to attend that wild weekend be sure and make a special effort to attend the next local meeting on March 17th. He wants to coordinate travel plans for club members so that **MCMC** folks can travel together whenever possible.

As Sanford said, "We aren't trying to pry into anybody's business. We just want to have fun together and help each other out in the event of breakdowns."

Mustangs break down? Aw, c'mon, Lynn....

Last Issue....

If you haven't yet remembered to renew your membership in the **Music City Mustang Club**, then this is going to be your last issue of **The Legend**.

Club president William Sanford said last week that the club hates to remove anyone from the mailing list, but with the production and postage costs of the newsletter, we simply can't afford to keep mailing it out to members who fail to renew.

Dues are still a bargain at only \$12.00 a year. We've included a handy renewal/application form on the cover of **The Legend**.

Thanks for helping make the **MCMC** the dynamite organization it is!

Future Mustanger Arrives: The '94 Mustangs aren't the only new arrivals around here. Danny and Angie Meador are proud to announce the arrival of their first child, a daughter. Alicia Danielle Meadors was born February 26th, weight 6 pounds, 15 ounces. Congratulations!

MCMC Member Discounts: Gene Beaty at the Hermitage Goodyear Tire Store, reported recently that last year's discount offer to **Music City Mustang Club** members is still valid. The offer includes 10% off on all parts and labor. Call Gene for details at 889-1933.
