

Rain Fails To Dampen Hoofbeats at Cool Springs Mall

Despite what had to be a record-breaking streak of rain, the 14th Annual MCMC Mustang Show and Swap Meet went off without a hitch on Saturday, September 17th at the Cool Springs Mall. 82 cars participated in the show, which featured trophies, plaques, and door prizes for virtually everyone.

Opinions differed, however, on whether this was the sixth or seventh year in a row that rain on the club show date had kept the number of participants down.

"We were expecting a better turnout in terms of the number cars who entered the contest," said MCMC President William Sanford. "But everyone had a good time anyway, and the crowds were fine."

Five vendors also participated in the show. And one good benefit of having a smaller crowd was that every MCMC member who entered the club class in the show won a plaque (see accompanying table).

Many Mustang owners showed up to either participate in the show or just eyeball the stampede, but the MCMC wants to extend a special thank-you to the Rocket City Mustang Club for their participation (see accompanying story).

Hats Off To Rocket City MC

The Music City Mustang Club would like to extend a sincere Thank You! to the members of the Rocket City Mustang Club from Huntsville, Alabama. They braved torrential downpours and brought five cars to our 14th Annual Show at Cool Springs. They were also very instrumental in helping with the judging.

The RCMC Members in attendance, with their awards, were:

Pat Martin 1969 GT Convertible--1st Place Winner

Ron Martin 1969 Mach I--2nd Place Winner

Jim Picard 1968 Fastback--2nd Place Winner

Gary Dempsy 1968 Fastback--2nd Place Winner

And Vicky & Mike Denton just drove up for the show!

As you can see, these people have some really fine cars. MCMC members will do all we can to support their club functions in the future. They've bent over backwards to support us and we're grateful!

And, people, this is what Mustanging is all about!

Recent Car Show Roundup**Mustangers Score at Recent Car Shows**

Recent cars shows have seen MCMCers participate and show their cars proudly, and continue to bring trophies back home to Music City!

The **M.C.A. Grand National Show** in Pensacola, Florida, was held at the University Mall Parking Lot and at the Hampton Inn immediately across the street from the mall on September 2-4th. The event boasted 317 cars in attendance and the judging classes were tough. The show opened on Friday, and all pre-registered entrants received an ERTL die-cast replica of either a Boss 302 or a Boss 429 model. These were courtesy of FMC and cost more than the entry fee. Real nice!

Music City Mustangers in attendance were Carol and Jim Chism, Lynn and Al Cole, Kay and Gene Shields, Billy and Kay Beasley, and John Hoover. Carol and Jim entered their car in the street driven (Occasional) class and took a second place award. John Hoover entered his Pretender Coup in the modified trailer class.

The **First Tennessee Regional Mustang Club** held the 1994 Kingsport M.C.A. National Show on Friday and Saturday, August 12-13th, 1994. The early tech inspections and set-up was completed Saturday afternoon and the trophy presentation was held at the awards banquet that evening at the Kingsport Convention Center. Jim and Carol Chism placed first in the Street Driven 1967 All Class. Accompanying Jim and Carol to the show were Kay and Gene Shields.

The **Tara Mustang Club** held its second annual mustang show at the Spalding Ford Dealership in Griffin, Georgia. The show was held October 1-1, and had 60 cars in attendance. Four MCMCers made the 300 mile trip: Dewayne Scruggs, Todd Hayes, Jared Thompson, and Jim and Carol Chism. The club did very well, with Jared Thompson (a new member!) gaining a 1st place with his 95GT. Jim and Carol got a first with their 67FB, and won Longest Distance. Todd Hayes and Dewayne Scruggs both won third places. The Tara show was a nice one, Jim Chism reports, and added that he hopes they can bring several cars to our show next year.

Upcoming Graham Ford Show & Shine Notice

On Saturday, November 19th, Graham Ford will be hosting the First Annual Graham Ford Show and Shine Drive-In. This event will be dedicating the new dealership facilities and will act as the kick-off for their grand opening. The show will be open to all Mustangs as Cougars as well as all vintage Ford and Mercury-powered products. There will be door prizes, food, and drinks. All participants will receive a commemorative dash plaque. Let's try to get all members of the club to participate. This may be the last time that we are able to get our cars out for the season.
