

# ◆ THE LEGEND ◆

Volume 1, Issue 2

APRIL 1996

## A Message From The President:

I would like to share a few upcoming events, and what your board has in store for your enjoyment. We have planned picnics, car shows, cruise-ins, and road trips. This year our major trip is the Atlanta road tour. Our first event was the Nashville Auto Fest, and it was a great success. We kick off club events on May 18 with The Spring Fling.

As your president, the most important thing to me is the fellowship within the organization. My number one priority is that we maintain this level of involvement in our club. I have been asked the question "How do you keep your group together?" My answer is to let the group decide the issues and encourage everyone to get involved. That is the key to our success.

I want you to support our news staff. They have a lot to offer the club membership. Please submit information and articles for the newsletter. I am very proud of them.

Well, I guess I will be signing off now. See you in the next edition.

William Sanford

.....

Thanks again to Margy Spivey for all her input & assistance in this issue of The Legend!!!

## The Feed Bag...

### French Silk Pie

#### Filling:

##### Cream Together:

- 1 Stick Butter
- 3/4 Cups Sugar

##### Add: 1 Tspn Vanilla

- 1 Square Melted Unsweetened Chocolate

##### Beat Together.

##### Add 2 eggs.

Beat 5 minutes after each egg.

Beat filling until fluffy and not gritty.

##### Crust:

20 Oreo Cookies, Crushed

1 Stick Butter, Softened

Mash into pie pan.

Pour filling into crust.

Refrigerate.

**Note:** This crust makes enough for a deep dish 9-inch pie pan. Therefore, you may want to double the filling recipe.

Hi Guys, 3/25/96  
We are having a great time. You really need to get down here. This place is really NEAT! We leave tomorrow for Surfer's Paradise for the Indy-Car Race. On the go all the time. Stan & Jan send their love. See you soon. Lisa & Jim

Report from "Down Under":

## SKINNED KNUCKLES A Mechanical Column

For those of you who were present at the March meeting, you know that Steven Carter of Paradise Custom Restorations did not show. However, a presentation was given by Don Sager on disassembling the cowl assembly.

He showed how he had drilled out spot welds, and prepped the cowl assembly for stripping paint. This was an informative and interesting presentation. If I knew more about the mechanics of cars, I would be able to report more on this subject. I feel it is best to stop before I butcher Don's presentation any further!!

Glen Burgess had his "ball joints" replaced... or shall we say he had hip replacement surgery??!! He came home from the hospital and is doing fine. MCMC members wish Glen a speedy recovery!!!

## For Club Shirts:

Contact Susan Sanford @ 834-7150 ASAP in order to receive by next meeting!!!

### Club Member Profile Submitted by Margy Spivey

Ed Potts drives about an hour to come to our club meetings each month. He grew up in Lewisburg, TN, and has lived there most his life. Ed and his wife, Linda, own an electrical and mechanical contracting business in Lewisburg. Their business is 86 years old and has been owned by the Potts for the last 25 years.

Ed and Linda met in High School. then both went away to college. Linda was awarded a scholarship to the University of St. Andrews in Scotland. Ed had some other ideas about where Linda should be, so he headed over to Scotland a year later to bring her back. They were married the next year and now have 21 years behind them.

In 1966, Ed saw a Mustang that he wanted but could not afford. He filed that thought in the back of his mind. Ten years later he dredged that thought back out when he found a 1966 Mustang convertible in the Harpeth Ford showroom in downtown Franklin. Unfortunately, he still couldn't afford that car. After almost 30 years of wanting a 1966 Mustang convertible, Ed and Linda are finally the proud owners of a red, super slick, 1966 convertible. They also own a 1956 T-Bird that is currently under restoration. Their goal is to have it completed by June, just in time for car show season.

When Ed is not playing with one of his cars he enjoys fly fishing. He is involved in numerous community groups and clubs. Linda is very involved in volunteer activities and has an activity to choose from just about every night of the week.

Next time you are in Lewisburg, look up the Potts and give them a call.

## 1996 Show Planning

Joe Spivey, Show Chairman, reports he has recruited Mark Stacey to be Head Judge and Jo West to run concessions at our show this year. He still needs plenty of volunteers.

We are soliciting contributions for our show. Please call on someone you know to place an ad on the back of our show flyer. The cost is \$50.00 for a business card size ad. These flyers will be distributed at all car shows, and those making donations will receive a lot of exposure. We need to be sure to take show flyers to all car shows. Call Joe at 790-7817 to request a supply of show flyers and to volunteer for a job. We also need door prizes. Many door prizes will be needed since this will be a two day show.

Joe wants your input, tell him what you like and dislike about our past shows; the plaques, classes, pricing, parking, etc. The board will be deciding on many of these issues very soon, so it's time to voice your opinions now!

## Pony Of The Month 1965 Coupe

Owned by Jerry & Lou Sullivan

By Bob Powers

This month's pony was as bright as the snow that surrounded it. The 'Stang, which was brought home as a basket case, has had extensive work done to bring it to the fine condition it's in today.

The car was completely stripped down to the shell with most of the work being done by Jerry. The 6-cylinder engine was rebuilt about eight years ago by Roy Reasha. Jerry says he plans to replace the carburetor.

The blue interior, work also done by Jerry, now sports a console. This was not original equipment, but does add a nice touch to the very impressive interior. The car was purchased in March of 1994, not giving it any opportunity to be entered in shows.

The Sullivans have been with the Music City Mustang Club since our Cool Springs Show. They haven't had time to acquire any trophies. In time, you can expect the car to start it's collection.

Jerry put an antique tag on the Mustang, limiting the use of the car with the thought in mind that it will be an investment for his grandchild. He says that it will be awhile before the car is ready for the show circuit (maybe at our next Cool Springs Show).

# Pensacola, Fla.- less sunshine

By Jane Craig

Several Music City Mustangers made their way to the Gulf Coast Mustang Club's National Show in Pensacola, Florida March 30-April 1. Those enjoying the fun were Vernon Elliott, Susan & Ron Sullivan, Kay & Gene Shields, John Hoover, and Jane & Mark Craig.

The weather had it's ups and downs. Thursday and Friday had periods of warm Florida sunshine and cold rain, followed by rain all day Saturday. Sunday the weather finally cleared and gave way to sunshine for the drive home.

MCMC was well represented with John Hoover's 1966 modified coupe and Vernon Elliott's red 1967 GT fastback. Vernon was awarded a gold in the 1967-1968 concours driven class.

One of the highlights of the weekend was hear-

ing about Gene Shields' adventure on the way to Pensacola. Gene & Kay left their home about 1:30 AM Friday morning so Gene could be there first thing to scope out the vendors before anyone else even got out of bed. Kay started driving while Gene made himself comfortable sleeping in the back seat of their car. They were not far from home when the action began.

A mother cat carrying a kitten in her mouth darted in front of the car. Kay slammed on the brakes to avoid hitting the cats. Gene, who was sound asleep in the back seat, was thrown onto the floor of the car.

It all had a happy ending. Gene was just fine, except for the ribbing given to him by those at the show. The mother cat and kitten made it safely across the highway.

All of those attending had a great time and are looking forward to next year in Pensacola.

## MINUTES OF MUSIC CITY MUSTANG CLUB MARCH MONTHLY MEETING

MCMC met Thursday, March 21, 1996 at Picadilly Cafeteria. President William Sanford opened the meeting with special recognition to Lynne Cole for her excellent first time effort in editing the newsletter.

### NEW BUSINESS:

Joe Spivey asked for suggestions regarding our upcoming car show.

There was a brief discussion on the results of the Hunter's Custom Automotive show attended by our Sister Club, TN Region SAAC.

There was an announcement regarding the Tennessee Mustangers' Round-Up scheduled for May 18, 1996. This will be a multi-region event followed by a national show the next weekend in Bloomington, Illinois.

Don Sager gave an informative presentation on cowl repair. After the presentation, the floor was opened for a question and answer session.

There was a call for volunteers to prepare trivia for upcoming meetings. Those volunteering were:

April.....	Robert West
May.....	Jane Craig
June.....	Bill Davis
July.....	Vernon Elliott

More volunteers will be needed to finish out the year!

OLD BUSINESS: None Discussed.

With there being no further business, the meeting was adjourned.
