Volume 1, Issue 9

NOVEMBER 1996

A MESSAGE FROM THE PRESIDENT:

I would like to take this time to encourage you to be at the club meeting and cast your vote. Bob Powers has worked real hard with Robert West to make the election happen, so thanks Bob and Robert. I would also thank Bob for the great Show and Shine at the restaurant, it was a real success.

As our year closes, I would like to go to Strattons in Ashland City before winter. And for our annual Christmas Party, it will be at the Church on December 7. Thanks to Milton and Delores Scott and Jo West.

Also do not forget the annual Show and Shine at Graham Ford on November 16. Please make a great effort to attend. They do a lot for our Club so lets show up in force.

Remember to follow the instructions for your ballot to be counted. The newsletter will arrive at the same time on the third week.

Thanks
Sarf

Oak Ridge, TN or Bust

By Margy Spivey

Our day started out very early; the alarm went off at 4:30am. I had never had to have all three of us ready to walk out the door at 6:00am, so this was a new experience. Another new experience was how to load the Mach I with a stroller, car seat, diapers, formula, etc. Colten had four bags and Joe & I shared one!

Everyone was meeting on the East side of town; first stop, Cracker Barrel - departure time 7:00am. Second stop, Lebanon - departure time 7:30. OOPS, we're already late... we were on the road by 8:15. A couple more stops to fill "Old Blue" with oil (Chism's '67 fastback) and to change the diaper on the newest Club Member; and we arrive at

11:30.

There were about 60 cars in the show, and they had a really good vendor turnout. Club members in the show were Jim & Lisa Chism, Vernon & Doris Elliott, Mike & Becky Golliver, Bud Morton, Rob & April Parsons, and Joe, Margy, & Colten Spivey. Everyone brought home a trophy.

Club members who came to enjoy the camaraderie of the club and scout out the vendors were Al Cole, Frank & Barbara Davis, and Gene & Kay Shields. Nikki Diss from the SAAC-TN club also made an appearance.

Lisa Chism and Becky Golliver got some power shopping done in Pigeon Forge. Al Cole got to exercise his new F-250 4-door pick-up. Al also acted as the club photographer on this trip.

All in all, we had a great time.

Pony Of The Month

1966 Coupe

Owned by David & Pat Hafner

By Bob Powers

This month's Pony is a pretty, candy apple red coupe owned by David & Pat Hafner. The car was purchased in January of this year and was not running at the time. With flat tires and in need of some tender loving care, David took on the challenge of bringing the 'Stang back to life.

The first thing done was a transmission screen and fluid change, which David found was all it needed to make the car move. The C-4 transmission now works like it did when new. The next chore was the 289 4V engine. Replacing the fuel pump, distributor and intake made the mill give out the mellow humm that comes through the glass packs.

Although David says he is going to keep it close to matching the original numbers, he wants to add pony interior making it a little nicer on the

inside.

His son, Chad has also helped with the restoration; and told me he likes to work on the Classic. David intends to do his own bodywork and maybe get it ready for next year's car show circuit.

The Hafners have been members of MCMC since February of this year. Although the Queen City Club is closer to them, it doesn't offer the organization that we have to give them. Maybe at next year's Cool Springs show they will enter in a judged class, instead of display only. Hope to see them there.

Road Trip Report

Howdy fellow Mustangers. It's been a while since I've reported, so I'm going to backtrack a few months and tell you about shows I've attended.

I had last reported that July was kind of dull without a lot of activities, but then August arrived in full throttle. The first show was in Kingsport, TN (my home town) so I loaded up the little snake and off to the mountains I went. The East Tennessee Region really puts on a nice show and they are extremely friendly. The weather was nice and the show was a success, although attendance was down a bit from last year. I had a really good time there visiting family and bringing home a first place trophy for the Grandparents. But as all good times must end, I headed back to Smyrnasaki.

Next trip on the agenda was the international melting pot of Atlanta, (Home of the Habibs) for the MCA 20th Anniversary Show. Since fellow member "Bud Islam Mohammed" has already detailed our little hotel experience, I won't spend a lot of time telling it again. The show was nice, although it was a little boring with such a big area, and having to stay for three days. Good thing there were other club members there to talk to and have fun with. Most everyone seemed to have a good time with just a few minor disagreements with MCA. Most all of our Club brought home trophies and really good stories.

Next in line was our show in Cool Springs of Franklin. What a success! The weather sort of dampened things for our fish fry on Friday, but sunshine was the word on Saturday... that plus "purple bird doo". By the way, did anyone ever shoot that damn thing? Anyway it kept people busy on their cars most of the day. Everyone who attended praised the show. The tent, the concession stand, and the DJ's were all excellent. Thanks to everyone who was involved in planning, parking, judging, cooking, etc. and making our show one to be remembered. A special thanks to Randy Hoover for going that extra mile to help me after the show was over (Thanks buddy)

Next, we headed West to Memphis where I had to pass through the Outback Country of Dickson, TN (Gotcha Jim) The Memphis show is

another nice show I really enjoy going to. The weather was great and the people were friendly; but this year it seemed rather dull. Attendance was way down from last year, and they didn't have a DJ or a concession stand. Maybe I got spoiled at our show. Oh well, I still managed a first place trophy and I didn't break down on the road! What more could I ask for?

I think the Memphis and Kingsport shows would be better if more people in our Club attended as a group, but we'll work on that next year.

I missed the Oak Ridge Show (sorry guys); but from the reports of fellow Members, I didn't miss a whole lot anyway. I did miss the fellowship and good times we always have, but we'll make up for it.

Finally, the most recent show I attended was the Piccadilly Show & Shine. What a wonderful day for a show. If you missed it, it was your loss. We had a great time with excellent weather. Billy Beasley won the Piccadilly's Choice Award with that poor 'ole red convertible that hasn't seen daylight in a year. Billy Boy, let's get that thing out a little more often and shake the dust off. The Holt's won the People's Choice Award with their fabulous looking late model 5.0. Mike Golliver won the parking lot burn-out award. Although no trophy was awarded in this event, the Metro Officer in the cafeteria was debating on a cash donation. Thanks to everyone who brought their car out.

That about brings me up to date. Don't forget about our Graham Ford Show-n-Shine in November. Till then, keep them ponies shining.

Robert West.

Piccadilly Show & Shine A Success

By Bob Powers

The first, and I suspect not the last, Show and Shine at Piccadilly Cafeteria turned out to be a hit. Although we started the morning off a little chilly, by mid-day the temperature rose and gave us the perfect weather for our show.

Robert Liberto, Greg Perry and the gracious staff of the Piccadilly were very helpful in making the show run as smooth as it did. Robert has informed me that he and his staff enjoyed the day and look forward to doing it again. I extend my warmest thanks to all of them.

The winners of the People's Choice Award went to Charlie & Donna Holt for their beautiful, teal green 1990 GT. The winner of the Piccadilly Top Choice Award went to Billy & Kay Beasley for their beautiful, red 1966 GT convertible.

My personal congratulations go out to both winners. With 23 elegant looking Mustangs entered, I can honestly say I'm glad the selection was being done by someone else. I couldn't have chosen from such a field of stunning cars myself. I would also like to say thanks to Robert West for his help in the show. And to all the members who participated, thanks for such a fine turnout.
