

# ◆ THE LEGEND ◆

Volume 1, Issue 8

OCTOBER 1996

## A Message From The President:

I would like to take this moment to thank everyone for all the effort put into our car show. I had nothing but all positive remarks. I feel like we should continue to have a 2-day car show. One of the biggest hits was the large tent with concessions, a place to sit and enjoy the food and talk to friends.

We must continue to make the show equal to or better, and promote the Mustang Club as one big family. Again thank you and give yourself a large pat on the back.

Also, do not forget our car show on October 19 at the Picadilly Cafeteria. Please try to attend if at all possible for the Club and the restaurant.

Another issue is our annual Christmas party. We will begin our plans this club meeting and attempt to set a date and place. We will also appoint a Show Chairperson for next year's show and decide on a show date.

*Thanks  
Safel*

1966 Mustang GT, Pony Int, A-Code 289-4V, Auto \$8,800  
This is a new car, too many new parts to list.  
Call Mike Bottoms @ 615-762-9248  
OR Jerry Shaw @ 615-845-4043.

## Pony Of The Month 1978 Mustang Cobra II Owned by Robert & Jo West

By Bob Powers

This month's pony is a beautiful shiny white Cobra II with gold accent stripes. Robert and Jo West can be very proud of this trophy winner. Their trophy collection consists of 20+ and still heading for more. The pony has received a trophy in every show in which it has entered except one; and that seems to be more from misclassing the car than from not being good enough to win.

The car's numbers match, giving it a 302 2-barrel engine backed up with the 4-speed transmission. Robert acquired it in May of 1993 after spotting the car and stopping it on the side of the road.

The owner was looking to sell or trade it

for a small pick-up. Robert just happened to be in his 1988 Ranger and the deal was made with a title swap. With 111,000 miles on the engine, the only work has been the replacement of the timing chain. The Cobra was in pretty good shape. Although a title search has not been done, the West's are the third owners. It is driven to all the shows that they enter in the Southeast, and I'm sure in time that will probably change to a wider range.

Robert and Jo have been members of the Music City Mustang Club since our 1995 Cool Springs Show, and the Cobra II is a welcome addition to our Club's stable.

---

## RACE UPDATE

By Lynne Cole

We've been racing again, and as the old saying goes about FORDs... First On Race Day!!! The Shelby GT350's did well as Al Cole finished 2nd in the Rolex Endurance Race behind Tim Holland from Atlanta. Some of you may remember Tim, as he was parked in the garage next to us at SAAC 20 in Atlanta last year... and was doing track time in a blue '66 coupe race car.

Second place is really great for Al's 2nd race...and to say he "*finished*" second is a big exaggeration!!! On the final lap of the Enduro, Al "done blowed" as they say in race talk!!! He'll be out of a few races in order to rebuild, but he had a fantastic time while it lasted!!!

The "Noon Hour Pit Crew" was looking quite snazzy in their embroidered "Zapata Racing" shirts and hats!!! And they were actually up and running prior to the Noon Hour this time!!!

Al wasn't the only one to break... SAAC-TN member Bill Parish had to push his Sprite in the trailer ... as well as fellow Shelby Driver Don Buck of New Orleans!!!

On the lighter side, the parties were a blast as usual. We had our own private party of margaritas, beer, and nachos on Friday afternoon. Other Shelby and Mustang drivers were invited, and the margaritas were a popular item!!!

On Saturday night, the big party for everyone was hosted by Parish Motorsports Insurance (Bill & Allison Parish of SAAC-TN)... we were served pork barbecue, fixin's and beer... but we just happened to have a few margaritas left over and once again Big Al was known as the "Margarita Man" to lots of unknowns!!!

It wasn't such a successful weekend as we had to push our car back in the trailer, but at least it was a fun weekend!!!

## Club Member Profile Submitted by Margy Spivey

Can you name these Club Members? Working for the same airline, they met in a hotel parking lot. Later that same night, he showed up at her room with a jug of wine for a party. The next day they went on their first date to Cape Cod. They had lobster for dinner. If you guessed Al & Lynne Cole, you are correct.

Al & Lynne had a long distance romance for a couple of months. After closing of the Roanoke, VA base, Al moved to Hartford, CT where he happened to be closer to Lynne. They dated 5 years and 3 months to the day before they were married. They actually planned two weddings. Someone got cold feet 3 weeks before the first one. Two years later Al realized he couldn't get rid of Lynne, so he decided to marry her and they planned the second wedding. This wedding went off without a hitch; they have now been married 7 years.

Lynne was born and raised in Gastonia, NC. Al was born in Elizabethton, TN and raised in Miami, FL. Together they picked Nashville as their new home. In the beginning, Lynne didn't think much of Mustangs, but Al was ALWAYS a Mustang lover! In 1969, Al bought his first Mustang; a '66 GT350 Shelby for \$3000 and sold it three years later for the same price...what a deal!!! He also owned a '70 GT350 Shelby.

The Coles now have a '61 Mini Cooper, '65 Convertible, '66 GT Coupe, '66 GT350, '66 GT350 Race car, '59 Austin Healey Bugeye Sprite (in several boxes), and a '92 Ford P/U (soon to trade). When the Coles aren't playing with their Mustangs, they both work for Northwest Airlines.

Other hobbies include snow skiing, scuba diving, and fine wine. They have saved the corks from every bottle of wine they have shared together since they were married. The collection has 400+ corks. Grab a good bottle of wine and go visit the Coles; they love company!

## Update From The Show Chairman

### 16th ANNUAL SHOW

The 1996 Music City Mustang Club's 16th Annual Show on September 27-28 was a great success "in spite of" the rainy weather. In all, we had approximately 125 cars in the show either in competition, non-judged, or in the For-Sale area. Several vendors also turned out.

I want to thank every one of the club members who worked hard to make the show a success. Many members were constantly asking how they could help during the two day event. A special thanks to Jim & Lisa Chism and Robert & Jo West for the many hours of hard work they put in prior to the show. They really took the pressure off of me.

Several show participants came up after the show and complemented our Club's show and said they would be back.

The fish dinner on Friday night went off without a hitch. We had approximately 80 people enjoy the Uncle Bud's fixins. I believe the club made approximately \$700-\$900 profit from the show, but I want to verify this first. I will give you a detailed breakdown in the next newsletter. Plus I want to give a winner's list as well.

Again, thanks for your hard work. If you are one of the few who missed the show, I hope you will plan NOW to be at our 17th Annual show next September.

Thanks,  
Joe Spivey  
Show Chairman
