## HOT LAPS

### Message from the President

Greetings everyone, I hope the holidays were good to everybody.

As we start off a New Year here in the Music City Mustang Club, Tracy Reynolds has pulled onto Pit Road for a much-needed breather. I look back on the previous year remembering the road trips, shows, and the open track event. What a BLAST!

With the New Year, comes new challenges. As a club, we all have Mustangs...some classics, some late models...some show stoppers...some cop stoppers. Our common interest is the car and what we can do with it.

Its January- show season is just around the corner, for those of us that show our cars, its time to start planning our show schedule. The MCA has numerous shows in our region starting up in March. We'll keep you posted on these and other shows locally. So get out the bucket and suds; the clay bar and wax; the tire shine and Armour-All...times a wasting. The show and shines are coming.

Showing isn't all there is...some of us like to go FAST, either in a straight line or carving through the corners. Either way we're adrenalin junkies, and love pushing the limits. There will be ample opportunities for us to have some fun as well. We'll get info on up-coming open-track

## NEXT CLUB MEETINGS

Thursday, January 18, 7:00pm

Thursday, February 22, 7:00 pm

Club meetings are held at the Piccadilly Cafeteria (615-367-4640), 874 Murfreesboro Road, Nashville, on the third Thursday of the month (except December).

events as well as what's shaking at Union Hill, Beech Bend, and the strip out on US 43 around Etheridge for you drag racing fans.

We don't want to leave anyone out either. There will be some road trips planned, and information on those will come out as they develop. There is a trip already in the planning stages for a run to Charleston, SC. Other events may include such things as running the Tail of the Dragons in East TN and The Woodward Ave Dream Cruise in Detroit. The possibilities are endless! If you have an idea or suggestions for an event share it with the club. This is an awesome hobby; lets all make the best of it. Support each other, have fun with our cars and friends...shoot even make some new friends.

I've hopped in behind the wheel, gave a salute to Tracy, I'm gunning the engine and headed out for some hot laps. Happy

Mustangin' everyone, see you at the shows and the tracks. Here comes Turn 1...what a BLAST!
