## HOT LAPS

### Message from the President

May is done...the Open Track event was a huge success. Thanks to everyone involved! Now we head into summer full throttle with shows, cruise ins, and driving events all over the region. By the time you get this newsletter the Hot Rod POWER TOUR will have finished up in Little Rock, Arkansas, maybe someone from the club did the Evansville to Memphis leg. There's so much going on during the summer check out the web page and the events listed in the newsletter. Go out and show off your pony.

I know some of us went to Louisville, KY for the big MCA show, tell us all how it was. There's plenty of action out there for just about anyone to enjoy...cruising, drag racing, hanging out at the local Sonic. Whatever you do, enjoy yourself and tell everyone what club you're with. We have the fall show coming up at the end of summer in September this year we're combining it with another Open Track event. We'll have flyers to pass out so help get the word out, this should be an awesome dual event. As always, we'll need lots of volunteer help.

Let get some gas, full up the tank and head out on the road.

Happy Mustangin' everyone  
Dave Grathwohl  
MCMC President

# WILD WEST MUSTANG NATIONALS

## JUNE 23RD-24TH, 2007

**Thursday: A Unique Evening Event.** The City of Concord has invited us to cruise downtown for a car show, dinner, live music and a movie under the stars at Todos Santos Park. The streets around the town square will be open only to Mustangs for this one of a kind event!

**Friday:** This is the day that your Mustang will be classified (put into the correct show category) by our Mustang Club of America trained judges. You will also be assigned your parking spot for the show. There will be a facility to wash and clean your Mustang and plenty of fellow hobbyists to make friends with at the Friday night Meet and Greet.

Photo opportunities with vintage P-51 Mustang aircraft will be available Friday (price to be determined). This is your chance to get a picture of your prized Mustang with it's deadly World War II rusesake.

**Saturday Car Show and Judging:** This is the day you've been waiting for! The Mustang Club of America will be 21 years old in 2007! Saturday is the day that your Mustang will be assessed using all 31 years of that Mustang judging experience. You are also invited to spend time shopping and talking to the many vendors that will be present on the show field.

**Saturday Night Hootdown:** This unusual dinner with multiple buffers, dancing, hospitality rooms and western style fun will be entertaining for adults and children alike. Enjoy dancing to the Rock-A-Billy sounds of the Dave Crimmen Band. We guarantee that you've never had this much fun with your boots on!

**Sunday Car Show and Awards Ceremony:** Final judging will take place if required and then...the awards ceremony. This is when the rewards for all of your hard work are announced. Come and cheer for your friends or let them cheer for you!

Even if you can't bring your Mustang you can have a great time at the Wild West Mustang Nationals!

Nearby shopping includes Sunvalley Mall and the Willows Shopping Center. There are many fine restaurants within walking distance of the host hotel. Water World USA and the Buchanan Field Golf Course are also nearby. Stay a few extra days and enjoy the nearby attractions of San Francisco, or perhaps you would like to spend some time in the wine growing areas of Livermore or Napa; they're just a short drive away! Whatever you like to do for fun, it's close to the show.

## UNDER THE LIGHTS AT NASHVILLE JULY 6 & 7th

The American V-8 Supercar Series (AV8SS) is pleased to announce it's third annual Nashville Supercar Weekend "under the lights", Friday night July 6th and Saturday night July 7th. In addition to AV8SS, also in attendance will be the Stock Car Road Racing Association, the Spec Miata Series, a Spec Racer Series, the Historic Stock Car Association and open track opportunities for all makes provided by the SVT owners association.

There will also be a car show representing the local Nashville Corvette club, the Nashville area SVT club and FRRAX (the F-body road race and autocross club).

As in years past, AV8SS will honor other series' licenses for this event and NASA classes such as American Iron, CMC, Factory Five and SCCA's ITE, ITO, and many other full bodied race car classes. Please e-mail or call with any questions regarding eligibility.

Open track entry is \$275.00 and all race groups are \$300.00. This is a spectator event with an entry fee of \$5.00 with those under the age of 18 admitted free. All participants and their families are admitted free of charge. Camping is available on the premises. Garages

## HIGH SPEED FUN! SUPER SPEEDWAY

Friday morning dawned bright and sunny, I was at the local Shell station filling up the gas tank with some premium gas in anticipation of burning a good deal of it off at the track. I arrived at the track at 6:05 AM, signed the liability waiver at the entrance and headed for the in-field tunnel. Took a right turn into the paddock area and found my garage stall. Scott was already there and getting thing set up for the tech inspections. Others started to trickle in and we continued to get ready for the onslaught of folks wanting to get their cars checked out before the eight o'clock drivers meeting. It was going to be one heck of a weekend.

The drivers meeting went down at a little past eight o'clock, with introductions and familiarization of the track and the various flags and where they would be positioned. We all divided into Novice, Intermediate and Advanced Groups got our wristbands and away we went to our cars to get ready for the first run of the day.

Al though this is a Mustang Club sponsored event; there were several makes and models represented. Most notably, Porsche with a number of 911 models, Mazda...the local Miata Club came out in force, Chevrolet...the local Corvette club came to run, and run hard they did. Of course there were a number of Mustangs in the field as well, from vintage racers to late model GT's and Cobra models. There was an AC Cobra kit car, a Caterham 7, a couple of NASCAR Trucks, a vintage Datsun 510 sedan and a Z car.

Everyone came to have a good time and put their cars through their paces. I'm sure a good time was had by all, as was evidenced by a lot of ear to ear grins after a particularly good run session.

MCA NATIONALS LOUISVILLE KY  
MAY 25-27  
BY TERRI ROACH

Well after an exhilarating day at the Open Track, my friend April and I loaded up both "Ivana" and "Maggie Mustang" and headed for Louisville. Apparently, the rest of Nashville, was heading that direction, also. After fighting rush hour traffic, holiday traffic, and a large wreck, we arrived in Louisville 5 hours later! Tired, hot, and road dirty, we washed the Cobra and headed for bed.

The next day, we ran into Ken and Nish and the rest of the crew at breakfast, got shortcut directions the show site and headed out. The line to get into registration was doubled lane and literally an hour long. The theory was if you arrived together, you could park together. They neglected to tell us that is only if you are in the same class! So with one car being on one end of the field and the other miles away, we began the daunting task of shining cars. When I say flight of the bubble bees, I truly mean it. We had both cars shined and ready in under an hour!! I have trained April well. Hahaha. I got conned into judging and left April to babysit vehicles. After judging daily driver convertibles, we got some lunch and sit in the shade. The show site was on the lovely grounds of the Masonic Homes. These homes used to be an orphanage and is now retirement homes for the Masons and their wives. It was nice to see the residents sitting on their porches watching the events, checking out the cars with nurses and wheelchairs, or the one guy on his hoverround. They really seemed to enjoy the activities. After a long hot day and with both cars judged, we headed for the room for much needed showers! We had dinner back at the show site, but was entirely too exhausted for entertainment which was a live band. We were back in the room by 8pm, in PJs, and watching a movie. Hahaha

The next morning was a rush. After checking out and heading to the show site, we finally got to see some of the cars. There was nearly 600 cars to see!! We had to look fast at some due to a wedding that was starting at 4pm on the same site. The concourse cars had to moved and loaded onto trailers by noon. Music City Mustang Club represented well at Louisville. The Proctors took first, Ken took Gold, Ray Helwig took first (if I remember correctly), my convertible took silver, and the cobra took third. I left after that so I may have missed other members placing. We met Ken and Nish for lunch at Skyline Chili and hit the

road. We hit the interstate at a full gallop and cruised into Nashville in just under two hours! Wow what a weekend!!! Hanging with friends and seeing all the beautiful cars, I'm ready to go again!

CHARLESTON SOUTH CAROLINA TRIP  
JULY 20-23

This year the Mustang Club members are going to Charleston, SC, from July 20-23. The group will leave out on Friday morning and return on Monday. Debbie and I went last year with the group to Savannah, Ga and we had an Awesome time! Charleston is a beautiful city with an interesting past and this trip should be fun for everyone who goes. Whoever decides to go will be staying at Francis Marion Hotel in Historic downtown. If you would like to make the trip with us this year, just contact Jim Chism at 615-446-0520 home or 615-973-3518 cell
