HOT LAPS

Message from the President

Greeting everyone, May is here. Let the good weather begin, and with that the shows and activities will kick into high gear. Looking back at April, we had the annual Two Rivers Ford Show and Shine and the Cars for Kids shows. There were over 60 cars at the Show and Shine, which I think may be a record. If anyone went to the Cars for Kids event we'd like to get a report.

Now that May is upon us, we here at the MCMC are gearing up for our 7th annual Open Track Event. Everything is on track for this to be an awesome event, there's been a good pre-registration and the track is looking good. We're going to need volunteers to help with check in and tech checking participant vehicles, so please come and help out. Heck come out make a day of it...bring a picnic lunch and enjoy the comradely of your fellow club members.

If you have some pictures of events you've been to recently, please share them with the rest of us either through the web site or in the newsletter. I want everyone to get the most out of our hobby as possible. For those of you that like to run hard in a straight line Union Hill is up and running

NEXT CLUB MEETINGS

Thursday, May 17, 7:00 pm

Thursday, June 21, 7:00 pm

Club meetings are held at the Piccadilly Cafeteria (615-367-4640), 874 Murfreesboro Road, Nashville, on the third Thursday of the month (except December).

as is Beech Bend up by Bowling Green, KY. There are plenty of events listed on the web site and in the newsletter let's get out there and burn some rubber. The local Cruise In scene is in full swing as well, time to get out and mingle.

Ok folks, let get those motors revved up and those tires warm...its time to go. I'm pulling out of the pits and headed for the first turn on the road course.

Happy Mustangin' everyone

WILD WEST MUSTANG NATIONALS JUNE 22ND-24TH, 2007

Thursday: A Unique Evening Event. The City of Concord has invited us to cruise downtown for a car show, dinner, live music and a movie under the stars at Todos Santos Park. The streets around the town square will be open only to Mustangs for this one of a kind event!

Friday: This is the day that your Mustang will be classified (put into the correct show category) by our Mustang Club of America trained judges. You will also be assigned your parking spot for the show. There will be a facility to wash and clean your Mustang and plenty of fellow hobbyists to make friends with at the Friday night Meet and Greet.

Photo opportunities with vintage P-51 Mustang aircraft will be available Friday (price to be determined). This is your chance to get a picture of your prized Mustang with it's deadly World War I namesake.

Saturday Car Show and Judging: This is the day you've been waiting for! The Mustang Club of America will be 31 years old in 2007! Saturday is the day that your Mustang will be assessed using all 31 years of that Mustang judging experience. You are also invited to spend time shopping and talking to the many vendors that will be present on the show field.

Saturday Night Howdown: This unusual dinner with multiple buffets, dancing, hospitality rooms and western style fun will be entertaining for adults and children alike. Enjoy dancing to the Rock-A-Billy sounds of the Dave Crummen Band. We guarantee that you've never had this much fun with your boots on!

Sunday Car Show and Awards Ceremony: Final judging will take place if required and then...the awards ceremony. This is when the rewards for all of your hard work are announced. Come and cheer for your friends or let them cheer for you!

Even if you can't bring your Mustang you can have a great time at the Wild West Mustang Nationals!

Nearby shopping includes Sunvalley Mall and the Willows Shopping Center. There are many fine restaurants within walking distance of the host hotel. Water World USA and the Buchanan Field Golf Course are also nearby. Stay a few extra days and enjoy the nearby attractions of San Francisco, or perhaps you would like to spend some time in the wine growing areas of Livermore or Napa; they're just a short drive away! Whatever you like to do for fun, it's close to the show.

PROS & CONS OF SYNTHETIC OIL

1. Must say 100% Synthetic oil on the bottle,
2. Amsoil, Mobil1, Redline, Royal Purple are True Synthetic oils,
3. You can drive longer between oil changes with synthetic compound to conventional oils,
4. Synthetic oils can withstand higher temperatures over conventional oils,
5. Synthetic is a completely engineered oil and not made from crude oil.
6. Synthetic oils also work better in extreme cold conditions than conventional oils.
7. Con against Synthetic oils is the cost—it is more expensive than conventional oils.
