## HOT LAPS

### Message from the President

Oh yeh, its October...temperatures are starting to drop, days are getting shorter, fall is in the air. The car show and open track are behind us, and were a resounding success from the feedback I've received. I want to thank EVERYONE that was there helping register, tech, and park cars. The club as a whole did an awesome job, participants were stoked about the venue, and want us to repeat it next year.

As we wind down from a busy September we can look back on a fun filled summer of car shows and road trips. With **October** come the **cookout/bonfire** at the **Sullivan's** out in **Joelton** on the **20th** of October, so mark your calendars accordingly. We also have **annual elections coming up**, so **please** if you want to **get involved** with the planning of our events for the coming year **step up and volunteer** for any position...I think we're looking to fill a few spots where folks have been pulling double duty.

There's still a few show weekend left, and maybe even time for a cruise down the

## Fall Car Show by Don Jackson

When the board members informed me that I was the person to organize this years All Ford show and swap meet, I thought that it would be a "no brainer". In my tiny mind i thought that it would be so easy to just order some plaques and tell the participants where to park. Easy enough right? WRONG!!! With a little trouble with the awards order, a change of venue, and the uncertainty as to the number of cars that might show suddenly cranked up the pressure.

On Friday, I showed up at the Super Speedway ready to help out with the tech inspection of the cars driving in the open track event and then I would get the show area set up for Saturday. I inspected the area that was to be the car show and found myself baffled as to how this empty huge parking lot could be a car show. I told my concerns to Kenny Joyner, Keith Stem, Phil Utley, and Ray Mallioux and within no time we had come up with a plan that would make the show easier for us and the participants alike. Instead of parking according to classes we would park'um as they entered. Instead of judging, we would give everyone an award.

On Saturday we arrived at the track and started to set up for whoever came to show their car. Well the cars started to trickle in at about 8am and then they really started to gush in. It became chaotic until about noon when registration ended. I asked Kenny Joyner, Chris Eiler, and Jeff Billings to park the cars at 8am and I realized they were still out there at noon. I felt as if I had left a baby in a hot car. Sorry guys!

I have many people to thank for making the car show such a success so here goes: Thanks go out to:

Tracey Reynolds- DJ  
 Phil Utley- Master of Ceremony  
 Dave Grathwohl- scooter currier and special awards  
 Sue Proctor- registration CEO  
 Lee proctor- registration backup  
 Jami O'Quin- registration  
 Robert O'Quin- registration at the car  
 Terrie Roach- registration at the car  
 Billy Hardin- supplied us with cold drinks  
 Danny Meadors- vendor registration  
 Debbie Jackson- money runner  
 Karen Moore- u name it -she did it  
 Ray Moore- Parking and generator mechanic  
 Kenneth Joyner- Parking  
 Chris Eiler- parking  
 Jeff Billings-parking

Ray Mallioux- you name it- he did it

Keith Stem- show setup and goody bag manufacturer

Jim Chism- I used him for his brain

Lou and Jerry Sullivan-door prizes, plaque presentation

Ken Peters- registration

I would also like to thank everyone who donated door prizes and goody bag items. If I have missed anyone just know that your help in making this show such a success was greatly appreciated.

I think our car show was a big success and the overall feedback was very positive and encouraging. It was a great success because you, our club members that volunteered their time, talents, and energy whereby making this a great car show. Once again "Thank You!"

I'd also like to take this opportunity to thank the vendors that showed up. I'd especially like the variety of vendors we had this year. All of them were very exited and enjoyed themselves.

Thanks again!

Don Jackson
