Update on the Club By-Laws

Jeff Billings

Over the past several months, a small group of members of the club have been working to revise and update the club by-laws. That work has now been completed. The Board of Directors have reviewed the updated by-laws and approved them on August 10. It's now time for the club membership to review the by-laws.

The revised by-laws will be available on the club website on the "Club Info" page. Please review the by-laws between now and the November meeting. At the annual election meeting in November, we will have an item on the ballot for you to indicate if you approve the new by-laws. If the majority approves the by-laws, then they will take effect with the new officers on 1/1/2011.

Thank you for taking the time to review this important document.

It's Almost Show Time

Jeff Billings, Dave Grathwohl, Johnny Myers

The 31st Annual Mustang and All Ford show is almost here. Your three show chairmen have been making great progress in getting everything organized and lining up some great door prizes and goodie bag items. As you read this I know each of you are asking yourself, how can I help? Well, I'm glad you asked because there are still many opportunities. Take a look at this list and then contact either myself, Dave, or Johnny on where you can help out. Thanks in advance for your assistance!

Pre-Show

- 1) Handing out show flyers at cruise-in's or other car shows
- 2) Asking businesses you visit for their support with a door prize
- 3) Helping to stuff goodie bags (more information coming)
- 4) Set-up before the show on Friday 9/17

Day of Show

- 1) Helping with registration
- 2) Helping with parking
- 3) Helping to judge the 25 specialty awards
- 4) Helping with final set-up in the morning
- 5) Helping with clean-up and disassembly after the show

AWOL - Again?

Well, once again, I will not be at this month's club meeting. I will be in Dallas for a Trade Show. Jeff will be having dinner with Bobby Bowden, so unless he can talk Bobby into coming to the meeting, he will not be there either. I guess you guys just need to fire the management. Oh wait, that will happen in November.

We have anxious batters in the on deck circle to take control, so have no fear, the meeting will go on. We have several items to discuss including the upcoming show and open track event. We will have just one more meeting before that weekend, and it will be the day before the event. We really need to get a list of the volunteers who will be working at the event.

By Laws

The Board has approved the new By Laws and have recommended that they be included on the November ballot for all of the club members to ratify (fancy word for confirming our vote). There will be a copy either emailed or posted on the website for your perusal. Jeff and his band of paralegal's has done a magnificent job at bringing our By Laws into the new millennium. Thanks for all of the hard work.

Open Track

The open track is shaping up nicely, once again. We will have a good group of returning customers and a new batch of folks from the Arkansas area. I guess the word is finally getting out about our valued event. When you compare our event to others, we are just that, a great value.

Groom's Tour

We will try and take a weekday tour of Groom's Engines sometime in October. I will work out the details and bring it up again at the September meeting. If you would like to do a tour, would you email me at jim@tradewindinc.com and let me know? Their new facility is awesome. This is something you will not want to miss.

Host Hotel

We now have an official host hotel for our track events. The Sleep Inn in Lebanon (Hwy 109 Exit) has been after us to become our host hotel. I have stayed there the last few years and the hotel is very nice. They have been very accommodating to our guests and have bent over backwards to make us feel wanted. They have lowered their regular \$89.00 per night rate for MCMC/Mustang Club members and participants to \$59.00. This should make our event even more of a value for those who are traveling.

Elections

This is a personal reminder that we have elections coming up this November for the 5 Board seats and the 4 Officer positions within the club. It is time for some new blood on the Board. This club can be whatever you want it to be. In order to do that, however, you must volunteer to run for office. We have a very good working Board, and can always use new ideas and energy to drive this club to it's full potential. Please see Ray Moore or Ray Mailloux and fill out a willingness to serve form so that we can get your name on the ballot. Thanks.
