### THE MUSTANGS ARE COMING! THE MUSTANGS ARE COMING!

I have accepted the position of Executive Director for the MCA Mustang 40th Anniversary Celebration. As many of you know, the event was originally scheduled for Lowe's Motor Speedway in Charlotte. However, one of the stipulations for my accepting the position is that the event be moved to Nashville. The celebration will be held April 15-18, 2004. This is an MCA event, will be "unofficially" hosted by the Music City Mustang club.

This is a great opportunity for us to showcase our city and our club to the world, as we are expecting participants from forty foreign nations in addition to visitors from all fifty states. In addition, Ford will be unveiling the 2005 Mustang here...and the whole world will be

watching. I sincerely hope that you will become as excited about this event as I am.

I will fill all of you in on the details as they are currently known at this month's meeting. You can get some of the early details from the MCA website at [www.mustang.org](http://www.mustang.org). The Host hotel is the Gaylord Opryland Resort and the main event will be at the Nashville Super-speedway with an integral Open Track event running concurrently.

Those of you who went to the 30th and 35th Anniversary Celebrations will remember that there were nearly 3000 show cars and approximately 100,000 spectators at the events in Charlotte. I expect this event to at least equal those events simply due to our central location. This is going to be great exposure for Nashville and for the Mu-

## ANOTHER "POSITIVE SHOT" FOR THE MUSIC CITY MUSTANG CLUB

By Michael Golliver

Does the background in the photo look familiar? It should, as it is the "Horsepower TV" studio right here in Nashville. Becky and I had the pleasure of loaning Joe Elmore the use of our 65 K-car for the filming of an upcoming episode to air March 1st & 2nd on TNN.

This article is not about the car, or Becky and I, but is about the popularity of the Music City Mustang Club. In my opinion, our club has achieved higher notoriety than any MCA Regional Club throughout the USA. I would be safe to bet that our club has had more cars featured

in monthly periodicals, plus having numerous cars appear on television than any other MCA Regional Club.

But, a club is not built strictly around our cars. It's the people that own the cars, its all club members, everyone one of the MCMC club members.

Over the last few years, being on the MCA National judging staff, I had the opportunity of attending all of the National shows throughout the country. There was not one show that I did not receive a compliment about our club – not the cars – but the members, and that means you. There were a couple of negatives but they had to do with the heat, which is out of our control. All in all, we should all be proud of our accomplishment as a club.

**FROSTY WHEELS 2003**

*By Scott Lickteig*

With a last minute request the MCMC put a display of club cars in the Frosty Wheels 2003 show. The show was held in Franklin, TN the weekend of the January 24 – 26. The show seems to have lost so of its past success or maybe it was the fact of having the show on Super Bowl weekend. The total number of cars was down from last year however; there were some beautiful cars to look at. Three of the club members had vehicles entered. Benny & Connie Howell, Milton Scott and Jim Chism. Benny & Connie Howell won first place, Milton Scott also was awarded first and Jim Chism took second. The club members answered questions about the MCMC. Please join me in thanking the follow club members who put in time at the show:

- Jim Chism
- Benny & Connie Howell
- Tracy Reynolds
- Milton Scott
- Danny Meadors
- Jerry Sullivan
- Rick Bosshart
