## The Newsletter of the Music City Mustang Club

*The Legend* is published monthly by the Music City Mustang Club, Inc. (MCMC), Nashville, Tennessee. MCMC was organized in 1980 by, and for, the owners and lovers of Ford Mustang automobiles. All Mustang owners and enthusiasts are welcome to join. MCMC is a sanctioned regional group of the **MUSTANG CLUB OF AMERICA.**

### BEHIND THE WHEEL

*By Scott Lickteig, President*

I hope that everyone's summer is going well. The MCMC club has been busy with a few events. Weeks after the 40<sup>th</sup> Anniversary we hosted the High Speed Fun IV. The weather on Thursday was not the best. It was raining during the drivers meeting and we lost one run group. Shortly after 10:00AM the track dried and we went back to driving. Friday the weather was great. We had a total of 44 who ran the course. Everyone who attended enjoyed themselves. I would like to thank the members of the MCMC who put in long hours to make the event a success, Gabe Pizzillo, Ray & Karen Moore, Tracy Reynolds, Jason & Linda Boshers, Dewayne Scruggs, Andy Corum, Jim & Lisa Chism and of course all the members of the SCCA who assisted with instructors and workers.

Last month we held our first road rally in a few years. It was a lot of fun and not easy to do for the beginner. Many learned that a good navigator made it easier to complete the course. After driving the course designed by Wes and Kim Duenkel we arrived, or hopeful made your way, at Gabe's for picnic lunch on the lake. This was a first for several and all in all everyone enjoyed the trip. I wish to thank Wes and Kim for all the work they put in to designing the course, writing up the instructions and adding up the final numbers. Thank you and

### NEXT CLUB MEETING

**Thurs., July 15, 7pm**

*Club meetings are held at the Piccadilly Cafeteria (615-367-4640), 874 Murfreesboro Road, Nashville, on the third Thursday of the month (except December).*

for those of us who participated we look forward to the next one.

Please make sure that you are asking for items for the Fall Show. It seems a long way off but here it is July and the show date will be here quickly. Anything that someone is willing to give to us to give away will be great appreciated. A reminder, as you travel to other shows and events be sure to take along flyers for the show. We will have flyers at the July meeting, please pick some to hand out.

### INSIDE YOU'LL FIND...

**The News** .....2  
*Important news tidbits for the avid MCMC'er. If Osama Bin Laden wasn't a driver for Bud Moore during the '69 Trans Am season, you won't find him here.*

**Upcoming Events** .....3  
*Find out where to show off your handiwork (or at least leave an oil spot on the pavement).*

**Classified Ads** .....4  
*Looking for door handle? Look no further.  
 Missing your other blue sock? Can't help you here.*

**MCMC ROAD RALLY REPORT**  
By Wes Duenkel

June 19th was a beautiful day for a drive, which was a good thing because some road rally teams did more of it than others! The MCMC Road Rally was a success—considering everyone made it to the destination, and had lots

(Right) Jason and Linda Boshers prepare to show Team Chism how it's done...

of fun! Rally teams consisted of Jim Chism and son, Chris and Desiree Farmer, The Lickteig clan, Butch Shelton and family, Billy and Kay Beasley, Jason and Linda Boshers, and Mike Whitley, Jr.

Gabe Pizzillo was gracious enough to offer his house as the destination. Upon arrival, each team gathered under Gab's large shade trees and shared stories of their rally experience while eating lunch. After the points were tallied, Awards were presented:

**2004 Rally Champions:**  
Butch Shelton and Family

**Runner Up:**  
Team Chism

**Last, But Not Least (?)**  
Team Lickteig

I think it is safe to say everyone had a great time! We hope to do another rally this fall...any volunteers?

(Left) Kim Duenkel assures the Beasleys, "Aw, don't worry...if you get to Kentucky you've probably gone too far."

**PARTS WANTED**

Sheet metal for a 67 fastback; area behind the rear seat where the top of the shock absorbers mount; in my 67 I'm working on someone has cut this area out
