## NEXT CLUB MEETING

Thurs., November 20, 7pm

Club meetings are held at the Piccadilly Cafeteria (615-367-4640),  
874 Murfreesboro Road, Nashville, on the third Thursday of the month (except December).

## PRESIDENT'S MESSAGE

It is that time of year when our thoughts are on the holidays and the fun times that we will enjoy. In keeping with this theme, the board of directors of MCMC approved disbursement of funds for two charities for calendar year 2003. We have chosen to donate a total of \$4,000.00 to two local charities. The first is one that we have supported for some time.

The Baptist Children's Home will receive a 60% share of the funds. The Gilda's Club of Nashville is new to us, but has a very well intentioned mission to help comfort those suffering from Cancer. The Gilda's Club of Nashville will receive the remaining 40% of the funds. I will be inviting a representative from each of these charities to join us at the Christmas Party on December 6th for a formal presentation. In addition, we will continue to sponsor

two children from the Children's Home for Christmas as we have done for years.

On another note, we had a wonderful time at the Dyno Day at Delk Performance, although the turnout was somewhat disappointing. Those of you who did not attend really missed out on some exciting and humbling fun. The Mustang Dyno that the Delk's have is fantastic and allows you to get some really accurate readings from your car. We had several members show up who for various mechanical reasons had their cars out of commission. All-in-all, the day was a huge success.

Finally, another election is upon us. I sincerely hope that all of you will turn out for this months meeting and cast your vote for the future leaders of this club. The club only works if we all do.

—Jim
