

High Speed Fun in Music City

Rules of the Road

Hosted by the Music City Mustang Club

Sanctioned by the Mustang Club of America

Disclaimer

The rules and/or regulations set forth herein are designed to provide for the orderly conduct of a controlled high speed driving event, and to establish the minimum acceptable requirements for such events. All participants are deemed to have complied with these rules. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATION FOR COMPLIANCE WITH THESE RULES AND/OR REGULATIONS. The rules and/or regulations are intended as a guide for the conduct of the hobby and are, in no way, a guarantee against injury or death to a participant, spectator, or official.

The Event Steward is empowered to permit reasonable and appropriate deviation from any of the rules and/or regulations or impose further restrictions as he/she sees appropriate and shall Not alter the original minimum requirements. Any interpretation or deviation of these rules is at the discretion of the Event Steward and his/her decision is final.

General Rules:

- Equipment, and minimum standards are listed on the Open Track Guideline Form that you received with your driver package. The maximum speed limits, equipment for each class, and passing rules are listed very clearly on this form.
- Speed Limits will be discussed at the Driver Meeting and may be adjusted due to weather.
- On your initial yellow flag laps of each session, look and acknowledge your corner workers.
- In the event of an emergency (Red Flag condition), pull to the left of the track, stay on the pavement, and stay in your vehicle. Emergency vehicles may be on their way to assist a fellow driver in need.
- Seat belts and helmet straps must be maintained tightly at all times.
- Convertibles must have their tops down and secured at all times, unless deviated due to weather conditions by the Event Steward.
- NO ALCOHOL OR DRUGS ARE PERMITTED AT ANY TIME.
- **This is a High Speed Driving Event, not a RACE.** Also, this is not a driving school, however, volunteer ride-along instructors very familiar with this particular track will be available to provide basic driving instruction to help enhance your open track experience.

- Be cognizant of conditions all around your vehicle at all times. Use your mirrors and always look over your right shoulder for oncoming traffic when entering the track.
- Passing is allowed in the Intermediate and Experienced run groups only. All passing will be conducted as per the instructions at the **mandatory** driver meeting. No passing will be allowed on any of the interior circuit.
- **All Passing is point-by passing only.** The lead driver must point the passing vehicle by to his left. This will be covered more in the Mandatory Driver Meeting.
- **All drivers must attend the Mandatory Driver Meeting at 8:00 a.m.** each morning. Miss the meeting, you do not drive, and no refunds or allowances will be made.
- This is a rain or shine event. In the event of light rain, we will continue to run. In the event of heavier rain, our schedule will be adjusted to compensate. Patience is of the utmost importance. The weather is one thing that none of us can control.
- The outside lane on the pit road is designated as a pull through lane. The inside lane is for entering and exiting the track.
- RECKLESS DRIVING of any kind will not be tolerated. If you get a visit by the Grid Marshall or the Event Steward for such behavior, you may be given a single warning. A second visit, and you go home. No exceptions.
- **Our watchword for this event is SAFETY.** Your safety is our utmost concern. We have an impeccable safety record and intend to keep it that way.
- The Event Steward reserves the right to disqualify any driver or vehicle at his/her discretion based on conditions that may warrant such action.
- Never stop on the track except under red flag conditions.
- Never leave your vehicle while on the track, except in the event of a fire.
- **Passengers will be allowed in all run groups during SESSION IV ONLY.** You may take a single passenger with proper safety equipment and clothing during your run group session. More details on passengers will be covered at the Mandatory Driver Meeting.
- Have Fun, Be Safe!
